

March 2021 DCVC Auditing Eblast

Reasons DCVC Conducts Audits

You made it! Spring is finally here! So, let's take a look at the reasons the DCVC Auditing Team may be required to conduct a site visit regarding the Victim Assistance Fines, Fees, and Assessment Funds.

Please note the reasons an audit may be conducted below:

- DCVC receives a written complaint (may be anonymous)
- DCVC receives a specific inquiry regarding the budget
- A desk audit review of the funds
- State Auditor's Office Audit Report and Recommendations
- Any other "**Red Flags**" noted by DCVC to include but not limited to review of budgets, desk audits performed, calls received, review of financial documents and requests just to name a few

If you have any concerns regarding your Victim Assistance Fines, Fees, and Assessment Fund, please do not hesitate to contact our office. We are here to help and provide guidance to you; thereby, ensuring there is proper accountability of victim assistance funds.

Note: Please forward this email to anyone you believe should be a recipient of this EBLAST or send us the email of someone who should receive the EBLAST. Also, if you **do not** wish to receive the EBLAST, you may email mlee-thompson@scag.gov to be removed.
